Save Energy, Save Money

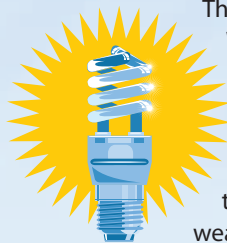

The Governor's Energy Office Weatherization Program Can Help.

What Is Weatherization?

Weatherization means making cost-effective, energy-efficient improvements and upgrades in your home. These measures will reduce energy usage while improving the comfort of your home year round. Weatherization improvements can include:

- * Insulation in Attics and Walls
- * Furnace Replacement
- * Furnace Safety Testing
- * Refrigerator Replacement
- * Sealing Air Leaks
- * Compact Fluorescent Light Bulbs (CFL)
- * Energy Audit
- * Storm Windows and Doors
- * Energy Conservation Information

How Does the GEO Weatherization Program Work?

The Governor's Energy Office (GEO) Weatherization Program partners with local weatherization agencies throughout the state to provide **free** weatherization services to Colorado residents. Qualified homeowners or renters can apply for these services by contacting their local weatherization agency.

What Are the Benefits of Weatherizing My Home?

There are numerous reasons for homeowners or renters to participate in the GEO Weatherization Program. Whether you are looking to save money, create a more comfortable living environment or help protect our environment, weatherization can help. Here are some benefits to weatherizing your home:

- * Lower Your Monthly Energy Costs
- * Save Money
- * Reduce Your Greenhouse Gas Emissions
- * Do Your Part to Slow Climate Change
- * Help Preserve Our Natural Resources
- * Keep Your Home Cool in the Summer
- * Keep Your Home Warm in the Winter

How Do I Know If I Qualify for Free Weatherization Services?

If you currently receive financial assistance from any of the following programs you automatically qualify:

- * Temporary Assistance for Needy Families (TANF)
- * Aid to the Needy and Disabled (AND)
- * Old Age Pension (OAP)
- * Supplemental Security Income (SSI)
- * MEDICAID
- * Low Income Energy Assistance Program (LEAP)

Households can also be eligible if they meet required income guidelines. You can use the chart below to see if you qualify:

Household Members	Gross* Monthly Household Income	Gross* Annual Household Income
1	\$1,805.00	\$21,660.00
2	\$2,428.33	\$29,140.00
3	\$3,051.67	\$36,620.00
4	\$3,675.00	\$44,100.00
Each Additional Person**	\$623.33	\$7,480.00

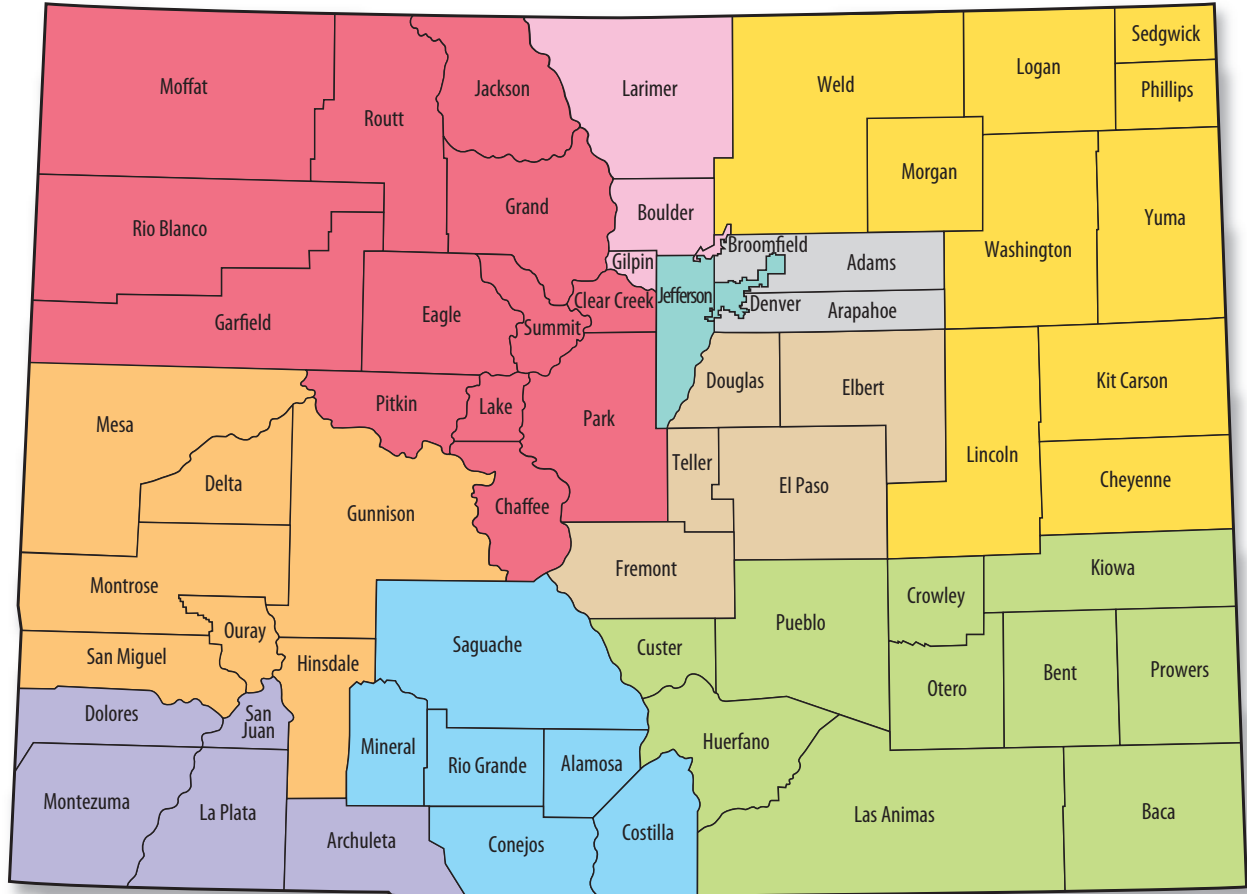

* Gross income means before tax.

** Please add \$623.33 per month or \$7,480.00 per year for each additional person in your household after 4 people.

How do I sign up?

Contact your local weatherization agency to find out if you qualify, and apply for free services.
